FACULTY OF MEDICINE

THE RICHARD N. FEDORAK

 MENTORING
IN IBD

Award of Distinction

- In 2014 Richard instigated the *Mentoring in IBD Award of Distinction*, an annual award created to recognize and honour senior leadership among peers in the field of inflammatory bowel disease
- In 2019 we proudly presented the first *Richard N. Fedorak Mentoring in IBD Award of Distinction* in memory and in honour of our founder and first chair

Richard Neil Fedorak 1955-2018

THE RICHARD N. FEDORAK MENTORING IN IBD

Award of Distinction

In the best tradition, the annual award will be presented to an individual who exemplifies attributes that distinguished Richard's career:

- Commitment to excellence in Canadian IBD education and mentorship
- Dedication as a role model for patient-centred care, education and research
- Devotion to compassionate care for people who live with IBD
